- Federal Law No (1) of 1972 Concerning the Ministries Competencies and Powers of Ministers and the amendments thereto;
- Federal Law No. (12) of 1976 Concerning the Police and Security Forces and the laws amending thereof;
- Federal Law No. (3) of 1979 Concerning the Civil Defence and the laws amending thereof;
- Civil Transactions Law promulgated by Federal Law No. (5) of 1985 and the laws amending thereof;
- Penal Code promulgated by Federal Law No. (3) of 1987 and the laws amending thereof, the Penal Procedures Code promulgated by Federal Law No. (35) of 1992 and the laws amending thereof;
- Federal Law No. (21) of 2001 Concerning the Civil Service in the Federal Government and the amendments thereto; and
- Federal Law No. (9) of 2004 Concerning the Civil Defense Volunteering,
- And upon the submissions made by the Minister of Interior, approved by the Cabinet and endorsed by the Federal Supreme Council,

We promulgate the following law:

Section One General Provisions

Article (1)

Definitions

For the purpose of this law and unless otherwise required by the text, the following words and expressions shall have the meanings assigned thereto:

Country	:	The United Arab Emirates.
Emirate	:	Any of the Country's emirates.
Area	:	A part of an Emirate.
Ministry	:	Ministry of Interior.
Minister	:	Minister of Interior.
Undersecretary	:	Ministry Undersecretary.
Department	:	Department of Civil Defence.
Council	:	Civil Defence Council.
Chairman	:	Chairman of the Council.
Concerned Authorities	:	Any governmental or non governmental authority that takes part in providing support to the civil Defence to face the Dangers and Disasters.
General Department	:	General Department of Civil Defence.
General Director	:	General Director of Civil Defence.
Subdivisions	:	Subdivisions of the civil Defence established in the different areas of the Country.
Head of Civil Defence	:	Head of Civil Defence Department at the Emirate or Area.
Department		
Civil Defence Procedures	:	The procedures and measures adopted by the Department to safeguard the lives, properties, utilities, public and private projects and national resources.
Civil Defence	:	Safeguarding the lives, properties and national wealth resources in times of war and peace and in emergencies and Disasters.
Disaster	:	Any natural or unnatural occurrence that expectedly or unexpectedly takes place and threatens lives, causes losses to properties or environment

or hinders the progress of life. Such occurrence can not be faced by normal means of emergency and requires unification of efforts.

- Dangers** : Any severe occurrence that has taken place or that is expected to take place and for facing which, the Department shall be ready.
- Public Alarm** : A public call on the military and civil staff and volunteers working in the Department to be ready to face the Disaster.
- Volunteer** : A civilian who voluntarily participates in the civil Defence operations in times of war and peace and in emergencies and Disasters.

Article (2)

The Department is a regular civil authority in charge of taking all actions and initiating all works that guarantee the protection of lives, properties and national wealth resources in times of war and peace and in emergencies and Disasters. The military staff of the Department shall be subject to the laws regulating the Police and Security Forces. The civil staff however shall be subject to the laws regulating the civil service in the Federal Government.

The Minister shall head the Department and may have the right to supervise and control the work progress therein.

Section Two

 - Head of the Office of the Ministry of Public Works, Member
 - A representative from the communication companies and corporations, Member
 - Director of Emirates Telecommunications Authority Branch, Member
 - A representative from the General Commandership of Armed Forces, Member
 - Director of the Office of the Ministry of Economy, Member
 - Director of the Red Crescent Branch, Member
2. The Director of Police in the Emirate or Area shall replace the Chairman of the Committee in case of his absence.

Article (10)

1. The Committee shall meet at least once every three months upon an invitation by the Chairman in the venue set by the Chairman or, if possible, in the Disaster place. A meeting shall be valid if the majority of members are present. The Council decisions shall be adopted by majority of present votes. In case of equality of votes, the Chairman of the session shall have a casting vote. A civil Defence officer shall take the office of secretary general of the Committee.
2. The Committee may seek the assistance of experts and specialists as it deems fit without that they have countable votes.

Article (11)

The Local Committees of Civil Defence shall be in charge of the following:

1. To implement the plans and projects of civil Defence.
2. To regularly study the potential Dangers, suggest ways of facing such Dangers and submit the study results and recommendations to the Council to take necessary decision.
3. To take all necessary actions and measurements to achieve the purposes of civil Defence.
4. To create awareness among the community members and urge them to participate in civil Defence operations as volunteers.

5. To manage the operation rooms and centers to follow up with the progress of Disasters and supervise the measures and actions adopted in such cases.

Article (12)

Civil Defence Procedures

The Civil Defence procedures shall include in particular:

1. To study the possible Dangers and Disasters and set the plans necessary for management of such Dangers and Disasters.
2. To prepare the preventive programs against the possible Dangers and Disasters and their requirements.
3. To prepare the necessary plans for the management of Dangers and Disasters in emergencies.
4. To establish and furnish emergency management rooms and centers.
5. To set a Public Alarm system against possible Dangers.
6. To set evacuation plans in emergencies.
7. To establish public shelters and supervise the establishment of private shelters in the buildings, institutions and refuge places and to provide medical and social care to the afflicted ones.
8. To prepare and procure the equipment, machines and tools necessary for the civil Defence operations.
9. To form the necessary teams who shall carry out the aid and relief works in the afflicted areas.
10. To prepare the training programs and joint imaginary exercise for the civil Defence personnel, volunteers and civilians.
11. To set the awareness programs and keep the Media aware of their duties in emergencies.
12. To monitor the Dangers of radiation, chemical and biological pollution in times of war and peace and to take the necessary actions in coordination with the Concerned Authorities.
13. To coordinate the mutual assistance among the emirates of the Country in relation to the civil Defence.

14. To establish assistance and support centers and identify their duties to enhance the civil Defence services at the national, regional and international level. A resolution by the Cabinet shall be issued in this regard.
15. To contribute in rehabilitating the afflicted areas and provide new public and private utilities in the afflicted areas.

Article (13)

Upon a suggestion by the Council, the Chairman shall adopt the necessary decisions to implement the civil Defence procedures and measures to be taken by the Concerned Authorities.

Article (14)

In cases of emergency, Disasters and danger, the Chairman may issue a resolution to confiscate the properties, assets and vehicles of others to the extent required for the implementation of civil Defence procedures and operations provided that the confiscation is for a temporary period and against a fair compensation.

Article (15)

For the purpose of implementation of the Civil Defence operation, the General Department and Subdivisions shall have the right to use the properties and installations against a fair compensation in case of any damage resulting from such use. The owner, occupant or user of a property or an installation shall not take any action against such right.

Section Four

Cooperation and Coordination

Article (16)

The Department may coordinate with the Armed Forces upon a resolution by the Minister in agreement with the Minister of Defence in the following issues:

1. The duties of the Armed Forces in delivering the alarm.
2. The bases of cooperation between the Armed Forces and Civil Defence.

3. To identify the statistical data and information provided by the Armed Forces and the way of providing such data and information in wartimes.
4. To carry out the operations and instructions of civil Defence in the camps and units of Armed Forces.

Article (17)

The General Department and Subdivisions shall cooperate with the concerned departments to prepare and coordinate the medical, social, engineering, administrative, police, armed forces and other services necessary to face the possible Dangers.

Article (18)

The General Department and Subdivisions shall coordinate with the authorities that have interior security and safety departments particularly the oil companies and airports to organize the means of support by the civil Defence to such authorities upon request.

Article (19)

All the Concerned Authorities shall provide the General Department and local committee with all the requested information, data or services to implement the works and procedures of civil Defence.

Article (20)

The authorities identified upon a resolution by the Minister shall appoint or assign experienced personnel to be responsible for all matters related to the implementation of the fire prevention and building safety requirements in their buildings, to set and implement the internal plans of facing the possible Dangers in the installation and to evacuate the occupants in collaboration and coordination with the General Department and Subdivisions.

Article (21)

The authorities in charge of issuing building or installation licenses shall not issue such licenses unless the concerned person submits an official certificate issued by the concerned Department of civil Defence stating that the building or installation meets the safety and security requirements.

Section Five

Financial System

Article (22)

The State shall bear the costs of implementing the procedures, plans and projects of civil Defence. A fund shall be assigned for the Civil Defence Department in the general budget of the State.

The Minister may disperse from such funds in cases of emergencies or Disasters.

Article (23)

1. The State shall fairly indemnify all those afflicted by the civil Defence experiments or operations provided that the afflicted persons claim the indemnification within sixty days as of the date of occurrence of the damage unless the failure to claim is beyond their control.
2. Upon a decision by the Chairman, an expert committee shall be formed to consider the indemnification claim. The Committee shall issue its decision in such claims within sixty days as of their submission date.

Without prejudice to the provisions of the civil liability stated in the Civil Transactions Code, the concerned person may submit a grievance against the Committee decision within thirty days as of the date of being notified of such decision.

Article (24)

Upon a suggestion by the Minister, the Cabinet shall issue a table of charges to be collected from the beneficiaries of the civil Defence services and a table of penalties applied in case of breach of the provisions of this law and the resolutions issued in implementation thereof.

Article (25)

The concerned ministries, authorities and public institutions shall, after consultation with the General Department, assign in their annual budget, the necessary funds under the item (civil Defence) to carry out the duties assigned thereto within their duties or services.

Article (26)

In cases of emergencies or Disasters, the requirements of civil Defence may be purchased directly without need of tenders.

Article (27)

The equipment, machines and tools imported for the General Department and Subdivisions shall be exempted from all tax and custom duties.

Article (28)

After the Minister's approval, the General Department may accept donations and contributions for the civil Defence provided that such donations and contributions are not conditioned.

Section Six

Penalties

Article (29)

Shall be punished with imprisonment for not more than six months or with the fine set in the table issued by the Cabinet whoever breaches this law or the regulations and resolutions issued in implementation thereof.

In cases of Disasters, the penalty shall be imprisonment for not less than two months and a

fine of not less than AED (20000) twenty thousand and not more than AED (250000) two hundred and fifty thousand or either penalty.

Article (30)

Shall be punished with the penalty set in article (29) hereof whoever intentionally commits an act or omission that may hinder or stop the machines and equipment installed for civil Defence purpose.

If the act or omission is intentional, the perpetrator shall be charged the cost of damaged machines and equipment or the cost of reinstallation.

Article (31)

The penalties set out in this law shall not affect any more sever penalties provided by any other law.

Section Seven

Final Provisions

Article (32)

In cases of Disasters, every citizen shall be liable to provide any possible assistance to the civil Defence to the extent required.

Article (33)

In cases of Disasters, the Minister may oblige certain authorities and those who exercise special professions to stay in their positions to ensure the normal progress of daily life.

Article (34)

The officers, non-commissioned officers and personnel of civil Defence shall have the capacity of judicial officers for the implementation of the provisions of this law.

Article (35)

The Minister shall issue the regulations and resolutions required for the implementation of this law.

Article (36)

Any text in contradiction of the provisions of this law shall be repealed, and the Federal Law No. (3) of 1979 referred to above shall be repealed. The regulations and resolutions issued for the implementation of such law shall remain in force without prejudice to the provisions of this law until the alternative regulations and resolutions are issued.

Article (37)

This law shall be published in the official gazette, and shall come into force three months from the date of publishing thereof.

Khalifa Bin Zayed Al Nahyan

The President of United Arab Emirates

Issued in the Presidential Palace in Abu Dhabi
